

Christine Knapp Supply list for students doing a relief ONLY

All of the supplies below, except the foam core board and small easel can be purchased from: www.SculptureDepot.net

- White or black foam core board 12" x 8"
- Acacia Wood tools #37A, 29A, 4B
- Drawing or photo reference of your idea scaled to 8" x 12"
- Oil based clay, I recommend cream colored Chavant Le

Beau Touche HM clay.

- One 2 LB block needed.
- Glyptic "E" handle with set of 4 small loops to fit handle-

OPTIONAL

- modeling/wax tool #21X
- Sturdy Cardboard box big enough to ship or transport your

relief home or to a foundry.

I will help you cut it down to size as needed.

- Packing tape for your shipping box
- Double wire loop tool (Serrated loop tool) # 211 (or 210 if

first tool is out of stock)

- Small easel big enough to hold your 8"x 12" foam core

board

- Access to a microwave or mild heat source (I.E. sunny

window sill, heat lamp)
